Aha! I'm not actually out there, and I think the rest of the team is pretty crazed, but I'm sure they'll shout if they have some time to connect.

Thanks Liz. I am also at Comic Con all week, staying at the Omni, and if you have time, we could meet down there. If not, I will touch base after SDCC.

And thank you for your reply.

Jumping in for Mallory we're all traveling this week (Comic Con, etc.), but Bill, John and I would be happy to chat with you in the next few weeks. Let us set that up when everyone is back.

Mallory:

I would like to have a call with you about our fan film Axanar. We have always tried to be respectful of CBS and its IP, limiting the use of it wherever possible. Obviously, the lack of guidance by CBS in the area of fan films makes this difficult. But we want to make sure we have a good handle on what you want and will allow. So could we do a call and chat about what we are doing and where we are going? Thank you,

Sincerely,

Alec Peters
